

Read the following signpost expressions from a presentation. Put them in the order in which you would expect to hear them.

- a) Let's move onto the next issue – the lack of regulation in the financial markets.
- b) As you can see from my outline, this presentation will deal with three main areas.
- c) Finally, the loss of confidence within the markets. How did that impact on the global situation? Let's address this question now.
- d) Ok, let's begin by looking at the sub-prime mortgage crisis in the USA. This is the first 'cause' that we need to examine.
- e) That's the end of my presentation. Thank you for listening. Does anyone have any questions?
- f) Good morning, everybody.
- g) Thank you. That's an interesting question. I don't think we can blame just one group of people, but I certainly think the central banks must bear a lot of the responsibility.
- h) The topic of my presentation today is the causes of the global financial crisis.
